## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: The cited prior arts fail to disclose or suggest a second control of sending back, to cooperative processing apparatus which has sent the cooperation information, a processing result indicating whether the service processing unit has performed the service normally or abnormally, and if the service processing unit has performed the service normally, copying the cooperation information and controlling the sending and receiving unit so that it sends a copy of the cooperation information to a next cooperative processing apparatus that is to perform a next service according to the cooperation information and third control of controlling the sending and receiving unit so that if an abnormality occurs in the next cooperative processing apparatus after the next cooperative processing apparatus receives the cooperation information, the sending and receiving unit sends a copy of the cooperation information to a substitute cooperative processing apparatus capable of performing a substitute service for the next service in a cooperative processing apparatus in conjunction with all other limitations in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
